

The Lark's Lip

Monthly Newsletter of the Hastings Skylarks

April 2018

Editor: John Van Brocklin
(johnv5840@gmail.com)

The April meeting will be held on **Wednesday, April 4th at 6:30 at the field.** Note that monthly meetings through next October will be held at the field or an alternate location if the weather is not cooperating. Hopefully the weather is nice so we can get some flying in.

The March meeting was held on Wednesday, March 7th at John's. Wade presided, Brian read the minutes and Dennis gave the treasurer's report.

Reminder: We are required to register with the FAA if we fly radio controlled aircraft greater than 0.55 pounds in weight. You only need to register once with the FAA, and then affix the FAA number and your AMA number to every aircraft that you fly. If you have previously registered with the FAA, you need not do it again. You can register at <https://registermyuas.faa.gov>.

It's time to take care of your 2018 AMA and club dues. Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website. AMA dues can be taken care of at modelaircraft.org. Please be sure to show Dennis your new AMA card when you get it.

If anyone has a project they would like to put in the newsletter, please let me know.

Visit our website at hastingsrc.org.
