The August meeting will be held on **Monday the 2<sup>nd</sup>** at 7:00 at the **Field**. Come early and get some flying in before the meeting. In the event of bad weather, the meeting will be held at ????. The Back Rib has closed. I've heard that the Courtyard has also closed. Maybe we can check out the new sports bar out by Walmart for our winter meetings.

The July meeting was held at 7:00 on Monday the 5<sup>th</sup> at the field. President Mac McGinnis presided. Brian read the minutes. John was not present to give the treasurer's report.

The club put on a show at Clay Center on July 11<sup>th</sup>. Apparently there were not a lot of spectators. Thanks to all club members who helped with the show.

As most of you already know, vandals struck our field a couple of weeks ago. A pickup was stolen from NAC and was used to tear out some of our chain link fence, tear up our runway and mangle our reel mower. Thanks to the efforts of club members, all (except the damage to the runway) is back to normal. Thanks guys. Your efforts are greatly appreciated!

Welcome to new Skylarks member Dave Breckenridge. Dave just moved down from Minnesota with his wife and son. He was pleased to find a club in Hastings. Please make Dave feel welcome by introducing yourself if you see him.

**Red Cloud:** The Skylarks are putting on a demonstration at Red Cloud on August 7<sup>th</sup>. We need to be ready to go by about 7:30. We would like to have a lot of static and flying planes participate. Please support the club and help keep our dues low by helping at Red Cloud.

**Skylarks Annual Fun Fly:** The Skylarks are hosting their annual fun fly on Saturday, August 21<sup>st</sup>. There is a \$15 entry fee which includes lunch and one raffle ticket. The club will raffle an Abell RC Extra 260 ARF. Registrations begin at 8:00. Come out and fly and have some fun visiting with your RC family. Pass this along to anyone who may be interested in attending.
