The August meeting will be held on Wednesday, August 2nd at 6:30 at the field.

The July meeting was held on Wednesday, July 5th at 6:30 at the field. John presided, Brian read the minutes and Dennis gave the treasurer's report.

We had a great turnout for the Clay Center show. The day was hot, but the evening was tolerable. Thanks to all the Skylarks who attended. Your support is greatly appreciated.

The 4th of July club fun fly was fun, as it should be. It was warm day, but not too bad for July. Thanks to Dennis for taking care of the food.

We will once again fly at Red Cloud on Sunday, August 6th. Get there early and have some pancakes and sausage. We need to be ready to go around 8:00. Once again, this is a paid event so we would like to have a lot of planes for both display and flying. Please support the club by attending this event.

Our annual fun fly is coming up on August 19th. We will discuss the final preparations for the fun fly at this meeting. Please plan to attend as we can always use the help.

Brian has acquired two receiver-ready Hacker foamies for our fun fly raffle prizes. They are great flyers. Laine's Planes is planning to attend the fun fly. They will have a trailer there and will donate some prizes for our raffle.

I hope to again be able to use the middle school gym for our indoor flying this coming winter. I will let you know what the plan is as soon as I get something arranged. Now is the time to get your indoor stuff together. I need to take my own advice.

You can still take care of your 2017 Club and AMA dues. Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website. AMA dues can be taken care of at modelaircraft.org. Please be sure to show Dennis your new AMA card when you get it.
