The February meeting will be held on **Thursday, February 6th at the old Hastings Middle School gym.** Indoor flying will begin at 6:30 and the meeting will start at 7:00. The building is located on the south side of 7th street between Lincoln and Hastings avenues. Take 7th street east off of Burlington. Go south on Hastings and turn right into the parking lot on the south side of the building. The entrance is on the east end.

The January meeting was held on Thursday, January 2nd at the old Hastings Middle School gym. President John Van Brocklin presided. Brian read the minutes. Tim gave the treasurer's report.

The 2014 Club Charter and flying field owner's insurance certificate have been taken care of.

The club has been approached by some RC truck enthusiasts in Hastings regarding the possibility of using a portion of our flying field site to run their trucks. We will discuss this at the next meeting.

We have the old middle school gym reserved for indoor flying on the first and third Thursday of each month from 6:30-8:00. February dates are the 6th and 20th. Enter through east door on the south side of the building.

Our 2014 fun fly is officially sanctioned for Saturday, August 16th. This will also be the day for AMA's national model aviation activities. Make plans now to attend the fun fly.

Skylarks gear (t-shirts, hats, etc.) can be ordered from the Skylarks website.

Be ready to go when the weather turns nice. Get your 2014 AMA and club memberships taken care of. AMA membership (\$58) can be sent in or paid by credit card at modelaircraft.org. Club dues are \$35 per year and can be paid through our treasurer or online through our website.

Visit our website at hastingsrc.org. As always, thanks to Mike for our nice website!
