

The Lark's Lip
Monthly Newsletter of the Hastings Skylarks

February 2018

Editor: John Van Brocklin
(johnv5840@gmail.com)

The February meeting will be held on **Sunday, February 11th at 6:30 at the middle school.** **Please note** that the meeting has been moved to the second Sunday in February, due to the super bowl being played on the 4th. Indoor flying will take place after the meeting. I have the gym reserved until 8:30. Enter through the left set of silver doors on the east side of the gym (north end of the middle school).

The January meeting was held on **Sunday, January 7th at 6:30 at the middle school.** Wade presided, Brian read the minutes and Dennis gave the treasurer's report.

Once again, indoor flying will be held on the second and third Sundays in February (the 11th and 18th). These will be the last two indoor sessions. Hopefully we will be flying outside in March.

We are once again required to register with the FAA if we fly radio controlled aircraft above 0.55 pounds in weight. You only need to register once with the FAA, and then affix the FAA number and your AMA number to every aircraft that you fly. If you have previously registered with the FAA, you need not do it again. You can register at <https://registermyuas.faa.gov>.

It's time to take care of your 2018 AMA and club dues. Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website. AMA dues can be taken care of at modelaircraft.org. Please be sure to show Dennis your new AMA card when you get it.

Visit our website at hastingsrc.org.
