Happy New Year!

The January meeting will be held on **Sunday, January 7th at 6:30 at the middle school.** Indoor flying will take place after the meeting. I have the gym reserved until 8:30. Enter through the left set of silver doors on the east side of the gym (north end of the middle school).

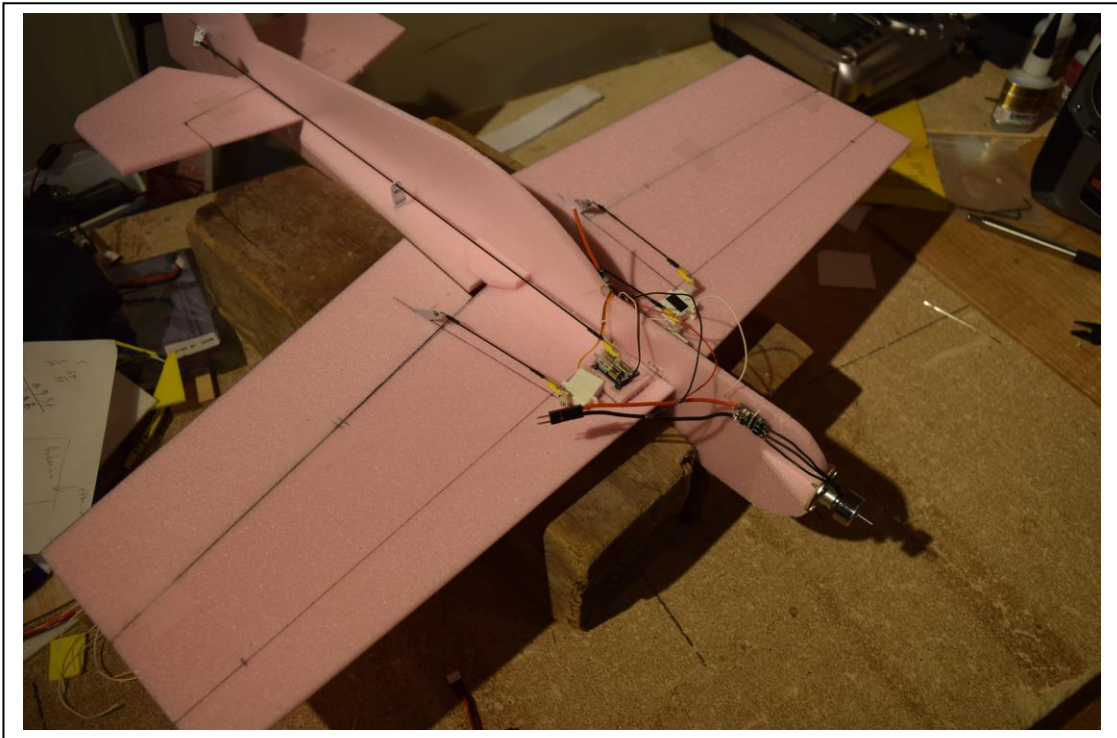

The December meeting was held on **Sunday, December 3rd at 6:30 at the middle school.** John presided, Brian read the minutes and Dennis gave the treasurer's report.

Wade and I will swap officer duties for 2018. Wade will take over as president and I will be vice president. The remainder of the officers will remain the same.

I've been dabbling in mini/micro rc components lately.

To the right of the penny is a 6-channel DSM2 receiver. To the left is a 7-amp esc. Also pictured are a 5-gram brushless motor and a servo. Amazingly, everything works. I have it all installed on a 20-inch wingspan foamy. We'll see if it flies at the next indoor session.

It's time to take care of your 2018 AMA and club dues. Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website. AMA dues can be taken care of at modelaircraft.org. Please be sure to show Dennis your new AMA card when you get it.

Visit our website at hastingsrc.org.
