The June meeting will be held on **Monday the 7<sup>th</sup>** at 7:30 at the **Field**. Come early and get some flying in before the meeting. In the event of bad weather, the meeting will be held at the Back Rib. Plan to attend and provide your input.

The May meeting was held at 7:30 on Monday, May 3<sup>rd</sup> at the field. President Mac McGinnis presided. Brian read the minutes. John gave the treasurer's report. Both were accepted without changes.

Mike has completely redone our website. Visit it at [hastingsrc.org](http://hastingsrc.org) and take a look. You are all encouraged to upload photos and video to the site. Thanks for all of your work Mike.

There was some discussion about what to do for prizes for our fun fly in August. The club decided to spend about \$300 for a raffle prize. The club also decided not to do the small give-aways this year. Mark will check with Cermark to see what they have.

From Jim Stulken:

We are having a couple (man & wife) come to our Big Bird Funfly to do embroidery on shirts and hats of airplanes and "stuff" they already have on their computer. If you have a nice picture of your airplane...dog...girl friend...they need it to have time to load it on their PC. I think they will also do the job the days of the Big Bird Funfly if that works for you?? If some of your members have specific planes that they want done, they should email them the pictures so that they have them digitized when they get here.
