The June meeting will be held on **Monday the 4th** at 7:00 pm **at the field**. In the event of bad weather, the meeting will be held at the Keno Sports Bar on Highway 6 across the street from Orschelns.

The May meeting was held on **Monday the 7th** at 7:00 at the field. President Mac McGinnis presided. Brian read the minutes and John gave the treasurer's report. Both were accepted without changes.

The club had a work day on Saturday, May 19th. Thanks to all who turned out and worked on the field.

The fun fly was discussed. Tim and Dennis will be responsible for drinks and food. The club voted to allow minor (under 18) family members to register for the fun fly at the reduced rate of \$10 if a parent registers for the regular \$15 price. This is one way that we can perhaps encourage younger people to get involved in our activities. Please advertise our fun fly so we have a good turnout.

Skylarks' member Tim Johnson is marketing his design of a plane restraint. See his add on page 116 of the current issue of Model Aviation. His website is <http://www.abcweldfab.com/>.

It's time to pay your 2012 AMA and club dues. Regular AMA membership is \$58 per year and club dues are are \$35 per year.
