The June meeting will be held on Wednesday, June 7th, at 6:30 at the field. Reminder: Our meetings will be on the first Wednesday of the month through October.

The May meeting was held on Wednesday, May 3rd, at 6:30 at the field. John presided, Brian read the minutes and Dennis gave the treasurer's report.

We need to discuss two items at this meeting. The first is our upcoming fun fly. Decisions must be made regarding food and raffle prizes. Bring your ideas to the meeting.

We will also discuss and make plans for the 8-man demonstration, which is on the following Wednesday, June 14th. Please support this event by flying and/or displaying your aircraft.

I went out to Prairie Lake over the weekend. They have run underground electrical service from the pole at the entrance down to the area where the shelter will be. The grass has been cut short over the runway area. Aside from some coarse clover stems, it doesn't look too bad.

It's time to take care of your 2017 Club and AMA dues. Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website. AMA dues can be taken care of at modelaircraft.org. Please be sure to show Dennis your new AMA card when you get it.
