The May meeting will be held on **Wednesday, May 4th at the field** at 7:00 pm. Note that we have changed the meeting from the first Monday of the month to the first **Wednesday**. Hopefully the weather will be better by then. Bring something to fly and get some stick time in before and after the meeting. And don't forget your hogs.

The April meeting was held on Wednesday, April 6th at John's place, due to poor weather. John presided, Brian read the minutes and Dennis gave the treasurer's report.

We have Clay Center on our schedule again this year. They have moved our show to Thursday evening. This will coincide with activities geared towards kids and families that are also scheduled that evening. The benefit for us is that it will likely be cooler. The downside is that we will have to deal with the sun in the west.

We have moved our annual 4th of July club fun fly to Saturday, July 9th. We thought that it might be easier for people to attend as most people have other activities planned on the 4th.

We need ideas for raffle prizes at our August fun fly. If you have an idea, please bring it up at the meeting.

It's time to take care of your 2016 AMA and club memberships. 2016 AMA membership is \$75 and can be mailed to the AMA or paid by credit card at modelaircraft.org. Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website.

Skylarks gear (t-shirts, hats, etc.) can be ordered from the Skylarks website.

Visit our website at hastingsrc.org.
