The October meeting will be held on **Monday the 7th**. If the weather looks nice, we will have the meeting at the field at 6:30 and hopefully get a few flights in before the meeting. If not, we will have the meeting at 7:00 pm at the Keno Sports Bar located on Highway 6 across the street from Orschelns.

The September meeting was held on Monday the 2nd at 7:00 pm at Skylarks Field. President John Van Brocklin presided. Brian read the minutes. Tim gave the treasurer's report.

The club raised \$297 for the Wounded Warrior Project during our August fun fly. That plus our initial \$99 contribution resulted in a total contribution of \$396. Great job!

I have reviewed the new field lease with Ken Aulner. There is one more correction that is needed before it is ready for review by the club. I should have a copy by the meeting, but if not, we will review it at the November meeting.

The death of a 19-year old by his own helicopter was tragic. Incidents like this should remind us of the possible dangers associated with this sport and prompt us to always put safety first. It's a lot of fun, but not worth dying for!

It's that time of the year again. We will take officer nominations at the meeting.

Skylarks gear (t-shirts, hats, etc.) can be ordered from the Skylarks website.

This year is winding down, so it's time to start thinking about next year. Get your 2014 AMA and club memberships taken care of. AMA membership (\$58) can be sent in or paid by credit card at modelaircraft.org. Club dues are \$35 per year and can be paid through our treasurer or online through our website.
