The September meeting will be held on **Wednesday, September 7th at the field** at 7:00 pm.

The August meeting was held on **Wednesday, August 3rd at the field** at 7:00 pm. John presided, Brian read the minutes and Dennis gave the treasurer's report.

Our fun fly was a success. We had a good turnout, good weather and most importantly, everyone had a good time. Thanks to everyone who made this year's fun fly possible and successful.

Thanks to all who showed up to support the club at Red Cloud. The weather did not cooperate, but we managed to get some flying in. At least we didn't have to dodge any full-scale planes.

Kool-Aid days was a lot of fun. We had quite a few more people stop by than the previous year. The weather was nice so we got a lot of flying in. Overall, it was a good day.

Thanks again to all members who support the club by attending and participating in club events.

As fall approaches, there will be a lot of good flying weather. I encourage everyone to get out to the field and get some flying in before it gets cold and the snow flies.

Club dues are \$35 per year and can be paid through our treasurer (Dennis) or online through our website.

Skylarks gear (t-shirts, hats, etc.) can be ordered from the Skylarks website.
